

April 2002 Newsletter

We are pleased that so many people have taken advantage of the great savings on our Earlybird deals. To those who missed out we still have some great offers. Please have a look at our new initiative 'Best Price Guarantee' on our website. This ensures you received the best value.

We did warn of product shortages and its just getting worse. We have added additional product but we have been unable to satisfy some requests so please, don't delay. We are also negotiating with additional suppliers to satisfy the enormous demand.

Some good news is that our fabulous 'Winter Special' from Amsterdam is going to be sold at the same price as last year. You can get a motorhome for 2 or 3 months at less than half the high season price. This deal includes unlimited mileage, tax and insurance and can be utilised between 15 October 2002 and 15 April 2003.....Better value than a car and you have your transport, accommodation and kitchen, all in one. Ask us for a detailed brochure.

For a bit of light relief, why not enter our little caption contest.

We could not resist the jokes when we saw this picture. Send us your caption by email to sales@drivetravel.com or by mail to address below. The best caption gets a nice warm windcheater and cap.
