

FEATURE PRODUCT – MOTORHOMES

FLEXIBILITY, FUN AND GREAT VALUE...

Why not consider a motorhome for your next holiday ? They come in various sizes from the 'Pop Top' to the luxurious 6 berth with TV and satellite navigation! They are all easy to drive, offer excellent visibility and most are diesel powered for greater fuel economy. As they are self contained you just load your personal items into the spacious cupboards at the start of your trip and you're off. No need to haul suitcases in and out of the car and no searching for a hotel. You are now free to explore villages, beaches or mountains. There is nothing more pleasant than sitting next to a creek or river, listening to the gurgling water watching the birds and clouds drift by, possibly enjoying a good book and a glass of wine.

With full catering facilities on board you can really get into experiencing life the 'local way' by popping into the supermarket or open market and picking up fresh and inviting regional food and wine. Preparing meals will be fun and you do not have to hunt for a restaurant or pay hotel prices.

Motorhomes are available from most capital cities or major tourist destinations. One way rentals are often available in Australia, New Zealand, the USA, Canada and South Africa. In the UK and most European countries people normally do a circle tour as the mileage's are often smaller there.

Motorhomes, like Canal Boats, are in short supply during the peak summer months so it pays to book early to ensure availability. Why not take advantage of our Earlybird offers below.

NEWS – Welcome New Team Members, Rebecca Ogden and Rodney Boyd.....

Rebecca has lived locally for most of her life until the age of 20 when she decided to leave all behind to embark on an overseas working holiday in the UK which proved to be an experience of a lifetime. Working as a nanny for 3 years gave her the opportunity to visit countries she had only imagined about. She also backpacked extensively around the UK, Ireland, Europe many times, Morocco, US, Canada, Middle East and Asia..

Rebecca lives in the seaside suburb of Seaford and enjoys entertaining, walking and helping her parents run their 120 year old heritage B & B at the base of Arthur's Seat in Dromana.

Rodney joins the Drive Travel team having worked, as a reservations consultant, at Jetset Holidays for the past two and a half years. Rodney's interests include cricket, aussie rules football (a keen Richmond supporter!!), golf and horse racing. A highlight for Rodney was to go to the 2000 Sydney Olympics.... He was lucky enough to see lots of events, including cycling, basketball, rowing and athletics, which included the finals!

Having travelled to USA, Thailand and Malaysia in the past Rodney is hoping, to find sufficient time in his busy schedule, to visit Africa and Europe sometime soon.
